## References: *(Ownership Provenance)*

Galerie Kahnweiler, Paris *X-checking with Kahnweiler Archive, acquisition and sales data to be established.*

>

*According to the above area near the title, this painting is currently in a private collection c. 1982.*

*The main points that **need** to be answered are:*

- *Where was the painting during the War Years?*
- *Was the painting part of Kahnweiler sequestered stock in 1914 and part of the sales of that stock that took place between 1921-1923?*
- *Who bought it from Kahnweiler?*
- *What is the sales history of this artwork? Currently the period 1908 – 1982 is completely unclear and could pose a significant risk to a buyer of this painting.*
- *What is the physical reality of the painting in relation to the Catalogue Raisonne entry?*
- *Was the painting included in all the Exhibitions and Literature referenced in the catalogue Raisonne of 1982?*
- *What other Exhibitions & Literature has the painting been featured in since 1982?*
